Please, read the information below before filling in the questionnaire

Using the specially designed questionnaires the National Center for Educational Quality Enhancement ensures the mutual assessment of the parties involved in the authorization process in order to improve both the quality of education and services.

The information you provide is confidential, used for the preparation of the internal analytical report of the Center and should not be transferred to third parties, either by the Center or by the persons responsible for the assessment. The mentioned information is also used in the preparation of research documents and/or presentations only in a summarized, generalized form, with the protection of the anonymity of the assessed individuals and legal entities.

Most of the questions in the evaluation form are accompanied by the answers to be selected and you will need about 2 minutes to complete the whole questionnaire (the actual duration depends on your need to fill in the open questions).

Your participation in this survey is extremely important for the improvement of the authorization process. Therefore, we would like to thank you in advance for filling out the questionnaire and for the contribution that you make by filling out this form to the development of the authorization process.

The information reflected in the questionnaire should express the position of the relevant interested party (institution, council member, expert), who is responsible for the correctness and objectivity of the reflected information.
